

Executive Branch:

- President – Samantha Guinn
 - Work Accomplished:
 - Collegian:
 - Contacted Lawrence about updates with the progress of ASCSU throughout the summer and work that has been accomplished.
 - Will continue to update the Collegian about other plans and ideas that will be coming up throughout the semester
 - Interviewed with Greg O'Malia to send a video out to alumni and other prospective students and donors about things that are important to students and what it is like to have such valuable resources available to us as students. Some of the main points about the video is the importance of new buildings, new technology, and what it means to have such caring professors on our campus.
 - OCL/RamRide
 - Met with the Office of Off Campus Life and RamRide to discuss the future of RamRide and what that means to our campus. We have been looking into different funding models for the organization to not only make it sustainable but more efficient. As of right now we are moving forward with a different funding model and they will be working more with Lance and Student Fee Review Board to establish a new model.
 - August 7/8 Board Of Governors meeting in Pueblo, CO
 - Discussed things coming up for the CSU system across the board
 - Gave my student representative report about the new and important things that are happening to CSU
 - Chronic Illness Mentoring Program
 - Free Microsoft Office for all students
 - Free USA Today app for all students
 - Contact with Washington, D.C. on different issues like student loan debt, sexual assault on college campuses, and access
 - I am trying to keep the board included in the major events occurring on campus so they are aware of the decisions to move forward with new programs and to keep them updated on the students and what they need/want.
 - Fan Experience Task Force
 - Met with Dr. Blanche Hughes and Interim AD John Morris about the budgeting aspect of the committee before the committee met as a whole
 - The budget was approved to fund new ideas for Ram Ruckus, Video Programming, Cam's Crew, and Cru's in order to continue/have these programs at the athletic events

- Grill the Buffs
 - Coke Grant submitted to get Coke, Diet Coke, Lemonade, and Sprite at Grill the Buffs!
 - Will Maher, Interim Student Services Director, has been doing a great job about getting everything finalized and the finishing touches on everything for the event.
 - Event will be in “The Trees” on the corner of Plum and Meridian rd. from 11am- food runs out.
- Electronic Signs on Campus
 - We had our final meeting with Mark Minor, Mike Ellis, and Lindsey Connors about the new electronic signs on campus
 - Finalized how the information is put up on them and timeline necessary for them to be functional as well as how to get information to Lindsey
- Master Plan meeting
 - Was updated on the happenings inside of CSU and what the new plan is going to be about new additions to the campus
- Community Open House and Ice Cream Social
 - We were fortunate enough to be invited to the second annual Community Open House and Ice Cream Social put on through the office of External Relations
 - Spoke with community members about what our role in ASCSU is and how that incorporates into the university as well as the greater Fort Collins community.
- ASCSU Retreat
 - Thursday: Leadership retreat at the Remington House
 - Had the directors, justices, and senate leadership together for a day packed with team building, effective student leadership styles, and brainstorming for new ideas that will benefit the greater student body rather than just our office.
 - Friday-Sunday
 - We were very fortunate to have everyone together in the LSC to start off the retreat and hear from Dr. Mike Ellis about his ideas as well as an update on the student center.
 - The team then headed to Pingree Park at CSU’s campus up in the mountains to continue the team building, brainstorming, and leadership styles training.
 - We were able to do many different activities that incorporated everyone and made sure that everyone’s voice was heard effectively.
 - Started the year off right with a positive note and encouraged everyone to get motivated and excited for the upcoming school year.
