▪ Progress on Goals from the Last Week:

- Finance Forums on the Plaza: Wendy and I stood on the plaza for two hours on Monday to try and gather student's opinion about ASCSU finances, tuition, and really anything on campus. We received a lot of feedback and will be compiling those and looking at ways that we can respond and what we can change, or what we can do better on campus.
- Meeting with Andy McCracken: from the Campus Vote Challenge team, Andy McCracken came to talk to us about CSU, our fee process, our involvement with the election, and overall, just updates from campus. It will be really good to be featured for this.

- CSU Flag Tradition: In order to continue this tradition I want to make sure that students still want to participate. I will be looking for a Senator who might want to take this on and maybe help me craft some legislation around this topic. If you are interested please let me know and I can give you more details.
