## Executive Branch

### ■ President – Regina Martel

#### ■ Progress on Goals from the Last Week:

##### ■ RamRide:

- Return: RamRide Return was suspended for remainder of the year. The decision was made for a number of reasons. RamRide needs to be our main focus right now and we found that RamRide Return was costing us a lot of money, and taking up a lot of our time.
- We will be reviewing and looking at the internal structure of RamRide and how we can improve job descriptions and reporting lines – improving the efficiency of the program.
- With the money/time we will now be introducing a new way to train volunteers
  - We will have another Deputy Director specifically for training volunteers at the beginning of each operational night.
  - We will have a member of the administration as well as either me, Joe, Rob, or Chelsey there to ensure that volunteers understand the history of the program as well as the immense responsibility that they have in representing the program and the university.
- Continuing on the internal legal review of all RamRide documents.
- If anyone has any questions about anything going on with RamRide please come and talk to myself, Rob, or Chelsey.

##### ■ Concealed Carry:

- Concealed Carry has been a huge topic for the state. We will be conducting an open forum on the plaza for students come and tell us their opinions. Senate will then write a piece of legislation that will be presented next week and presented to our representatives.

- HB – 1151 – The bill has been postponed indefinitely in committee. Working on talking to more representatives and senators about the positivity of the bill.
