Executive Branch

- **President – Regina Martel**
 - Progress on Goals from the Last Week:
 - RamRide:
 - RamRide Advisory Board:
 - Internal Review: Still moving forward. The two biggest priorities that we have set are to improve volunteer retention. Figuring out how to get folks to come back to volunteer after their first time. Working on incentivizing the position.
 - Volunteer Training: we are working on trying to improve the training for volunteers – how we can be more intentional about what we are teaching and trying to communicate the importance of the program, as well as better training around alcohol and other drug training. Possibly making training longer and more formal.
 - Looking at doing an exit survey at the end of a night to see where we could improve the volunteer experience.
 - In the next few weeks we will be trying to formulate a student voice survey to gauge how students are feeling about RamRide – everything from safety, to price, to possible changes.
 - Please don't forget that if you haven't volunteered for RamRide or been a part of the operations in some way it is a great way to get the best first-hand knowledge of what is going on.
 - If anyone has any questions about anything going on with RamRide please come and talk to myself, Rob, or Chelsey.
 - LSC Renovations:
 - We will be cleaning out the office during Spring Break, make sure that all personal belongings are out of the office during that time. All items in your space should be confined to one filing cabinet (two drawers).
 - Label things important to your department as long term storage (will not see it until we move back in) and short term storage (items that one might need once a week or by event).
 - Outreach:
 - Attended the Graduate Student Council Trivia Night! Also, went to Edwards Hall and spoke with first year students about ASCSU and ways that students could get involved! Great to meet different people and talk about what they are passionate about here at CSU.
 - ASCSU Student Fee Sustainability Task Force:
 - The group has evaluated and come up with a solid recommendation for the next administration to use. The recommendation includes changing student status as well as a student fee increase.
 - The actions of senate are not binding for the next administration but an encouragement.
 - Goals for the Next Week:
 - Visit RLT
 - Meet with Steve about facilities and ways that ASCSU can have more voice in those decisions
- **Finance – Wendy Bowling**

 - THE BOARD FOR STUDENT ORGANIZATION FUNDING IS OUT OF FUNDS! If you are still interested in funding opportunities you can contact the Director of Finance at Finance@ascsu.colostate.edu.
 - The Student Fee Sustainability Task Force presented its resolution to Senate on Wednesday. It was passed by a Senate Majority. If you have any questions please feel free to contact me at Finance@ascsu.colostate.edu.
 - We are swamped with BSOF financial request forms. Please be patient with us as we catch up on getting all of the proper individuals paid. Please give us at least 3 days to process your p-cards because of this.
 - We are in the process of making sure all of our bills are paid and our finance office is organized as electronically as possible while remaining secure. We are looking at what the effects of being housed in the Mac Gym will mean for our office.
 - President Martel and I have been working on our Semester Accountability Report. We are in the final stages of this report and it should be available soon.
 - Liz and I have been working on what to give the next administration for them to produce their budget and make the transition as smooth as possible.
 - Please be responsible with your funds. As we are looking towards the sustainability of RamRide we need to save what funds we can for them to launch off of. Please let me know if you have questions.

- Miscellaneous:
 - THE BOARD FOR STUDENT ORGANIZATION FUNDING IS OUT OF FUNDS! If you are still interested in funding opportunities you can contact the Director of Finance at Finance@ascsu.colostate.edu.
