However, if I am not in attendance at Senate, it is because I am conducting business for AUHB. If anyone has any questions about this, please feel free to ask.
- The Court will focus this semester on trainings and preparing for elections. In April, the Court will be traveling to Denver to speak with Justices of the Colorado Supreme Court.
- Supreme Court Liaison, Keith Patton, will be working on a presentation to Senate and follow-up *Collegian* article detailing the Court's role in elections in order to better inform the student body of our processes.
- Keith will also be working on a new project to update the Supreme Court Manual which has not been revised since 2008.
- Justices are continuing hearing assignments and shadowings. Shadowing should be completed by the end of March.
- The Court webpage will soon be updated with our By-Laws (as revised and ratified in November) and the current manifest of justices.
