- Attended RamRide Training Monday with Andrea Coryell and Corporal Nichols. We focused a lot of time on what if scenarios. It's important to know that calling 911 is not a bad thing and that they're always willing to help when it comes to that safety of anyone; we have a sound relationship with CSUPD and FCPS, using their services does not tarnish that relationship. New implementation of more alcohol awareness, CSU Responsible Action, and the CO Safe Haven Law are important points to touch on in volunteer training; by doing this our volunteers can understand that they are protected under these laws and helps empower them to make the necessary decisions in a time of need.

- Secured a LSC Room 228 for the FC/CSU Roundtable on the 24th. We can now accommodate more students and attendees.
