■ Finance – Wendy Bowling

- Progress on Goals from the Last Week:
 - THE BOARD FOR STUDENT ORGANIZATION FUNDING IS OUT OF FUNDS! If you are still interested in funding opportunities you can contact the Financial Controller at ASCSU_controller@mail.colostate.edu
 - We are swamped with BSOF financial request forms. Please be patient with us as we catch up on getting all of the proper individuals paid. Please give us at least 3 days to process your p-cards because of this.
 - We are in the process of making sure all of our bills are paid and our finance office is organized as electronically as possible while remaining secure. We are looking at what the effects of being housed in the Mac Gym will mean for our office.
 - We went ahead and decided to begin the process of purchasing 4 new computers for the ASCSU office. This is done routinely every one or two years in order to make sure our office stays technologically up-to-date and avoids having to replace all the technology in the office at once.
 - Please be responsible with your funds. As we are looking towards the sustainability of RamRide we need to save what funds we can for them to launch off of. Please let me know if you have questions.
- Goals for the Next Week:
 - Catch up on Financial Documents

- Move out of / Clean out the Finance Office.
- Scan in and Secure financial Documents for the Renovations

 - A slightly higher number of students favored “lower tuition increases and a lower salary increase” than did those that preferred “no salary increases and minimal tuition increases.”

 - We had a high response rate, especially from graduate students (relative to other years).
