Executive Branch

- President – Regina Martel
 - Progress on Goals from the Last Week:

- CSU Flag Tradition: Per ASCSU tradition a CSU flag has been flown for three days at half-mast for three days then given to the family of a CSU student who passes away. After meeting with Jody Donavon we are looking at how to continue that tradition during the renovation and whether or not it is the best way to give back to students who are important to the community who pass away.
 - In order to continue this tradition I want to make sure that students still want to participate. I will be looking for a Senator who might want to take this on and maybe help me craft some legislation around this topic. If you are interested please let me know and I can give you more details.
- ASCSU Alumni Council: following the meeting in Denver for the ASCSU Alumni Reunion there are a number of things that ASCSU is contributing. We will be creating swag bags for Alumni who attend.
 - Please make sure to register for the ASCSU Alumni and LSC 50th Anniversary by visiting the homecoming website. It is very important that everyone register and attend this event!
