

Executive Branch:

- President – Samantha Guinn
 - Work Accomplished:
 - ASCSU Retreat:
 - Met with Pam, Kim, and Lance to finalize the time line on the event. We will have a follow up meeting this week in order to have everything finished before next week.
 - We have contacted Mike Ellis and have figured out what kind of time line he needs for the retreat to do his activity.
 - Invitations for ASCSU members has been sent out, and invitations to faculty/advisors has also been sent out for the lunch on Friday.
 - We are in the process of finalizing the members list for the retreat and will get that figured out this week.
 - PDC Meeting-Physical Development Committee
 - Heard reports from different areas on campus about new and upcoming ideas and events
 - Toured the LSC again
 - Tried to gauge if we needed to purchase another conference table or if the one we have will be good enough. That decision can't be made until we officially move into the new space and see what kind of space we are working with.
 - Signed the Rocky Mountain Student Media contract
 - Allowed them to continue working and stated our payment to them to keep them going. Part of the increased fee for ASCSU went to this increase in the contract.
 - Food Insecurities Meeting
 - Discussed more options we can look at and to move forward with the idea of free/reduced priced meal swipes to help the people on our campus. We have been working with Housing and Dining to get the price of a meal, financial services to see what percent of students on our campus will qualify or need this new service.
 - CSU Events
 - Conference call with Jen Welding, Pam Norris, Lance Li Puma, and Jason Johnson to discuss events that Lance and I are expected to be at as well as attitudes at these events, and professionalism.
 - August Board of Governors meeting is August 7-8
 - CSU open house is August 13, ASCSU will be in attendance for the event

- Vice President – Lance Li Puma
