#### Executive Branch

- President Eric Berlinberg
  - Past Week Follow-Up:
    - Ram Leadership Team-
      - Thanks to Director McCaleb, Deputy Director Hoehn and the entire Community Development Department for putting together such a successful RLT retreat this past weekend! I had the opportunity to meet the RLT'ers on Friday before they left, and they seem like a great group of future leaders.
    - Department of Higher Ed Focus Group-
      - Director Eckerdt and I attended the Department of Higher Education focus group, held at Auraria Campus in Denver. The focus group was administered by the DHE, in conjunction with an advocacy group.
    - LSC Theater Renovations-
      - Last week, a few of us took a tour of the LSC Theater Renovation. The renovations are coming along really well, and it will start looking like a theater very soon. Anticipated open date is end of Spring 2012 semester.
    - CSU Rams Football-
      - A very sad last couple of weeks. We can pull through, Rams. Let's beat down UNLV and San Diego State in the coming weeks.
  - Goals for Next Week:
    - Happy 8<sup>th</sup> Birthday, RamRide-
      - Monday October 24<sup>th</sup> marks RamRide's 8<sup>th</sup> year of operation. The program began as a campaign platform for Jesse Lauchner and Katie Denman in the ASCSU elections. The program kicked off on Oct 24, 2003, under the leadership of Director of Student Services Ben Goldstein, with only a few vehicles in operation. Today, the program has safely driven 147,419 students home in eight years. Thank you to everyone who has made the program so successful over the years, keeping our fellow students safe.
      - Monday, the program will be celebrating on The Plaza to honor RamRide. There will be free cake, RamRide SWAG, and music. Stop by between 10:00a-2:00p to help celebrate.
    - RamRide Return Kickoff-
      - This Saturday, RamRide will kick off a new service called RamRide Return, driving students back to their vehicles the morning after RamRide operates. The service will begin operating from 8:00a-12:00p, Saturday and Sunday. Congrats to RamRide on beginning the new service!
    - LSC Master Plan Sub-Committee-
      - Pam Sampson and I are co-chairing a sub-committee of the LSC Master Plan committee, focusing on student organizations in the LSC redesign. The first meeting of this subcommittee will be held on Tuesday at 7:00pm in LSC Room 216. I strongly encourage all members interested in the LSC Master Plan/Renovations to attend.
  - Miscellaneous
    - Open Positions

- Deputy Director of RamRide Donations and Sponsorships
- Assistant Director of Marketing
- Assistant Director of RamRide
- Assistant Director of University Affairs
- Assistant Director of Student Services

### Vice President – Rachel Roberson

- Past Week Follow-Up:
  - The Student Fee Review Board had a new fee proposal submitted Saturday. The proposed fee would be paid only by graduate students and be used to provide services for that population. We will be voting on the proposal next Saturday. If you have any questions about what this proposal looks like or how it could impact our organization, please do not hesitate to ask either myself or another SFRB member.
  - Senate voted on three pieces of legislation this week:
    - (1) A resolution to move up the deadline for senate agenda items to Friday by 5 PM rather than 5 PM on Mondays.
    - (2) A bill to clarify the role of the Ram Leadership Team, thus opening all three branches for their involvement.
    - (3) A bill amending the SFRB Long Bill of last year's fee package to reflect several changes to the LSC master plan.
  - I am still working on getting the Pacesetters' scholarship forms signed and the thank you note ready for Dr. Yates.
  - I have meeting with several senators about their role in the organization. If you all see new senators in the office please take the time to introduce yourself and offer help with any office procedures they may have.
- Goals for Next Week:
  - Help SFRB come to their final decision on the new fee proposal.
  - Meet with all of the committee heads about the direction of senate and create a list of goals for the vear.
  - Register for my last semester in my undergrad!
- Misc.:
  - As always if you would like to have a guest speaker present at senate, need someone ratified, or would like to see new legislation please submit your preferences to me, Andy, and Lindon by the Friday of the week before. If you have any further questions about this deadline change please do not hesitate to ask

    goes along with a purchase.

Once I have compiled a list of the most popular classes, I will contact those teachers and see if they have any additional tests or ask if they do their own advertising for TestFile to their students since they are a high traffic area.

### Diversity – Shaunte McLachlan

- Past Week Follow-Up:
  - Monday October 17, 2011 I met with some of the representatives from the Campus Activities that represent the SDPS Offices. Kodi Phelps (representative for NACC) and Trisi (representative for WGAC) discussed any concerns for the campus climate and ways for ASCSU to be more involved with programs for their offices. A lot of great information was passed along. TO build a great connection with the SDPS offices and ASCSU will take time, but I believe that we can achieve this goal.
  - Ideas for more of a connection with the offices:
    - Ask them if they need help setting up for the LSC Halloween House for the community.
    - Ask to provide a lunch for them. This will be a once a semester thing, sit down and talk
      with the students personally and receive some feedback about the year thus far.
    - A student organization Mixer. This would also be once a semester, bringing all of the student orgs within the SDPS offices together, with the intent to build networking skills.
  - Got the word from Director of University Affairs concerning a proposition for a Middle Eastern box placed on the application for prospected CSU students.
    - Background information: I met Jamal Kamandy a CSU Ethnic Studies Graduate student. During our meeting he described his concerned for the wellbeing of the APACC office and student input and programming. While over viewing the APACC's mission statement, he was concerned with the presence of Middle Eastern Students. Many of the prospected foreign population identify in different ways, and this was true for most Middle Eastern Students. They usually don't identify with the box indicated Asian Or Asian American. Due to this we would like to implement a box for the Middle Eastern Students on the Application for prospected students.
