Executive Branch

- President – Eric Berlinberg
 - Past Week Follow-Up:
 - Hiring-
 - Please join me in welcoming Billy Raddell as the new Director of University Affairs for ASCSU. Billy will be up for ratification this coming Wednesday at Senate. This position will assume critical day-to-day responsibilities of the Director of Academics throughout the remainder of our Administration as well.
 - Please join me in welcoming Perdeep Badhesha as the new Deputy Director of University Affairs-Committees for ASCSU. Perdeep will be up for ratification this coming Wednesday at Senate.
 - LSC Master Plan Committee-
 - This past week, the LSC Master Plan Committee met with the architects to review their designs for the LSC renovation. We are nearing the end of the Schematic Design phase, and moving into Design Development by the end of March.
 - Tentatively, construction will begin in January of 2013 in parts of the building, with other areas unaffected until the end of Spring Semester 2013. Timelines are being finalized now. A temporary renovation plan for offices and students will be published mid-April.
 - Finance Forum-
 - This past Wednesday, we hosted our first Finance Open Forum in the Senate Chambers. There was a very low student attendance, but thank you to those who attended and asked thoughtful questions.
 - The next Finance Open Forum will be in mid-March. Date/time will be posted at a later date.
 - ASCSU Elections-
 - If anyone has any questions related to their interest in running for ASCSU President or Vice-President, please see Elections Manager Ives or myself. We are happy to sit down with you and answer any questions that you may have.
 - Estimated Rollover to Next Administration-
 - After going through another round of budget forecasting within ASCSU, Controller Jackson has estimated rollover at \$110,135.35. On top of this rollover figure, there are additional funds due to over-enrollment revenue generated from those students above and beyond the 23,700 that CSU requires us to budget at. The \$110k rollover number does not include Spring Semester over-enrollment revenue (which will be sent as rollover to the next Administration).
 - On top of the \$110,135.35 + Spring 2012 over-enrollment revenue, there is an additional \$100,000 of fund balance set aside per the ASCSU Constitution that is being sent to the next Administration.
 - To put these figures in perspective, the previous Administration (Cooper/Jenny) sent \$115,000 +/- to our Administration. That means that the current Administration budgeted and spent 100% of the revenue they received from student fees, plus about \$5,000 of the

rollover that Cooper/Jenny sent us. We are sending \$110,135 out of \$115,000 rollover from them to the next Administration.

- Elections Committee-
 - Thanks to Elections Manager Ives for coordinating an extremely successful Elections Committee training last week. The Elections Committee has a lot of strong members this year, and I am excited to see them begin their work.
- Transition Plan-
 - I have begun putting a tentative 'ASCSU Transition Plan' on paper, specifically related to scheduling so far. This will hopefully help provide candidates an idea of what the month post-Elections looks like, should they be voted into office.
- Goals for Next Week:
 - FY13 ASCSU Proposed Budget-
 - Controller Jackson and I are finalizing a first draft of a FY13 proposed ASCSU budget. This document will be very fluid between now and the start of ASCSU Elections, and will be provided to all candidates who are now required to have a budget meeting with the ASCSU President prior to being certified as a candidate.
 - This proposed budget includes the anticipated rollover figures stated above.
 - Director of Business and Financial Services/University Controller Interviews-
 - Next week I will be participating in the final candidate interviews for the Director of Business and Financial Services/University Controller position. There are 5 final candidates that were invited to campus to interview with various groups. I will be attending these interviews on behalf of ASCSU.
 - Stadium Advisory Committee-
 - This coming week, I will be attending several Stadium Advisory Sub-Committees, focusing on various aspects of the project.
 - There were public forums announced via e-mail (sent to the ASCSU listserv on Monday, February 20, 2012), in which students are invited to participate in small-group discussions related to the proposed stadium.
 - Dates, times and locations for public forums are:

 - Past Week Follow-Up:
 - Student Fee Review Board:
 - We voted on Off-Campus Life this week. Their requested fee increase of \$1.54 was approved by a 7-5-3 vote.
 - We heard from the Career Center this week. They are requesting a \$0.77 increase to cover the mandatory 3% salary increases. There was discussion of having them absorb the cost of the salary increases because they have an extremely large fund balance. They are coming to

present to us again on Monday so we can discuss where they would be if they absorbed that cost.

- Finished compiling budget projections and we now have an estimate for rollover for next year:
 - We expect about \$110,000 in rollover to send to next year. This does not include spring over-enrollment revenue, which comes from having more students than we budget for. To put the rollover number in perspective, we had about \$115,000 in rollover last year, so we are sending all but \$5,000 of that forward to the next administration.

- Past Week Follow-Up:
 - Might have the final designs touched up by professional designers, not sure yet.
 - Selection committee choose 5 designs because one of the designs was very cool but didn't meet graphic standards so we requested the artist to re-do her submission so we can re-vote again on Monday for the final four.
 - We are going to then give the four submissions to senate then make sure they are on the ballot for the elections.
 - Will be sending the final designs to Senate hopefully this Weds.
 - Finally got to meet with the RamCard office director to throw some ideas about the new student initiative we're working on.
 - Starting to get rolling on an exciting initiative involving athletics and ASCSU, more details to come throughout the semester
 - This is taking a little longer than expected but will all be worth it in the end, working on proposals, schematics, and logistics right now
 - Going to now start collaborating officially with Pres. Ambassadors on an event surrounding tuition ending. We're trying to set a date when school would actually end if the school ran only on tuition.
 - Jason will start planning for I-Ball
 - Lynn and I will be working with Elections Manager Andrew Ives to help with Elections and how can get students to vote more regularly on campus
 - Brainstorming session with Andrew Ives about student initiatives.

 - Past Week Follow-Up:
 - The AUHB had another follow-up meeting with an organization we have previously worked with. The presentation and deliberation went very well.
 - As I mentioned this week in Senate, AUHB will now be meeting Wednesdays at 6:00 pm. I will do my best to attend as many Senate sessions as possible to deliver judicial reports and swear in new members. However, if I am not in attendance at Senate, it is because I am conducting business for AUHB. If anyone has any questions about this, please feel free to ask.
 - The Court will focus this semester on trainings and preparing for elections. I will be coordinating with Elections Manager Ives a time to meet to discuss the elections process and updates to the elections code. Tentatively, we will be having an Elections training retreat on Saturday, March 3rd. The purpose of this training will be to reviews the elections code, elections process, and the process for elections appeal hearings.
 - On Thursday, February 23rd, The Court had a Pre-Admissions Training session with the Director of Conflict Resolution and Student Conduct Services, Craig Chesson.
