  - I recently attend the college of Natural Resources College Council where they discussed current issues around campus to be address. Lexi Evans, who is involved in both Nat. Resources college council as well as the executive branch of ASCSU has been made aware of these issues and is looking towards a solution in incorporate their needs. Some concerns they had were: over use of water in lavatories around campus, paper towel dispensers rather than air hand dryers, composting around campus, etc.
  - The college of agriculture recently restructured their program to combine with their ambassador program so I have been working closely with their leadership to build this program and make its transition go smoothly.
  - Plans for next week include:
    - Helping transition Billy Raddell into the director position
    - Attend college council meetings
    - Re-create the college council meeting time calendar in outlook
    - Finalize plans for the next roundtable
    - Finalize plans for the college council mixer

    - Past Week Follow-Up:
      - For the next 7 weeks, Associate Justices and our Liaison will be submitting supporting judicial reports to discuss their experiences this semester on the Court. Please look for those following my report.
      - The AUHB has begun a new case. We are preparing for this hearing by reviewing the case file, brainstorming questions, and conducting mock hearings.

- As I mentioned this week in Senate, AUHB will now be meeting Wednesdays at 6:00 pm. I will do my best to attend as many Senate sessions as possible to deliver judicial reports and swear in new members. However, if I am not in attendance at Senate, it is because I am conducting business for AUHB. If anyone has any questions about this, please feel free to ask.
- The Court will focus this semester on trainings and preparing for elections. Last Saturday, March 3<sup>rd</sup>, the Court had an elections training. We reviewed the Elections Code including revisions ratified this year, discussed our role in the Elections process, and reviewed an elections appeal process.
- Supreme Court Liaison, Keith Patton, will be working on a presentation to Senate and follow-up *Collegian* article detailing the Court's role in elections in order to better inform the student body of our processes.
- Keith will also be working on a new project to update the Supreme Court Manual which has not been revised since 2008.
- After break, the Court will be traveling to Denver to participate in a training where we hear oral arguments as presented to the CO Supreme Court. This training is still in planning stages.
- Justices are continuing hearing assignments and shadowings. Shadowing should be completed by the end of March.
- The Court webpage will soon be updated with our By-Laws (as revised and ratified in November) and the current manifest of justices.
