## Executive Branch

  - Past Week Follow-Up:
    - On-Campus Stadium Outreach-
      - A campus wide e-mail went out from my office this past Tuesday with information about the proposed on-campus stadium, a survey, and links to other information. The e-mail went to 28,804 unique e-mail addresses.
      - Of those e-mail addresses, we had just about 1,000 ‘reply’ to the e-mail, and those responses have been compiled into one comprehensive word document, and will be posted on ASCSU’s website, and on the stadium website ([www.colostate.edu/stadium](http://www.colostate.edu/stadium)).
      - The survey link that was included in the e-mail was filled out by over 3,200 people (as of 9:00am, 4/20/12), making a response rate of over 11%. These responses will be made available on the ASCSU website and on the Stadium website.
      - The next full public Stadium Advisory Committee meeting will be held on May 30 in the LSC North Ballroom, 7:00pm.

▪ Student Services – Tim Brogdon

- We will be setting up the next administration for success surrounding For-Ever-Green through the director’s reports, the end of the year report, and finally the design choice and contacts with the appropriate people.

  - We will be offering both sides of the argument via information we’re collecting from all the offices involved including the most recent stadium advisory committee meeting.
  - It is fair for us to give both sides of the argument considering ASCSU hasn’t taken a side on this heated debate, we’re also waiting for survey data to come out from the survey sent out this week
    - If you haven’t taken the survey you can take it here <http://studentvoice.com/colsa/ASCSUproposedoncampusstadium>
    - We will be getting all of our information from:

    - Past Week Follow-Up:
      - President Berlinberg and I have been conducting interviews this week for the two open Associate Justice positions. We will have our decision made by this weekend to have the two new members ratified next week at Senate.
      - For the next 7 weeks, Associate Justices and our Liaison will be submitting supporting judicial reports to discuss their experiences this semester on the Court. Please look for those following my report.
      - The AUHB completed our last deliberation this week. We are finished with official business for the year. I have really enjoyed working with the Board this year, and I am proud of our ability to effectively work together and process cases.
      - On Monday, April 16<sup>th</sup>, the Court will be traveled to Denver to meet with a current Colorado Supreme Court Justice, Justice Boatright. This training was very beneficial for all members of the Court. We were able to discuss restorative justice processes, career paths, case analysis, and many other topics with Justice Boatright. I appreciate his time as well as the thoughtful questions posed by Court members.
      - Keith has started working on a new project to update the Supreme Court Manual which has not been revised since 2008.
      - Justices are continuing hearing assignments and shadowings.
      - The Court webpage will soon be updated with our By-Laws (as revised and ratified in November) and the current manifest of justices.
    - Goals for Next Week:
      - Finalize end of year processes

    - Events

- On Monday we had training in Denver and had the opportunity to talk with Justice Boatright of the CO Supreme Court. He gave us insight into how the Colorado Supreme Court works and what his job is like on a day to day basis. It was definitely an extremely worthwhile experience.
- I've enjoyed my first couple of months on the court. I have learned a lot about conflict resolution and I have gotten a lot of hands on experience through AUHB. I'm looking forward to finishing off this semester strong and continuing learning next semester.
- We had a hearing in AUHB last week and deliberation this week. Both went pretty smoothly and we had a really good conversation during deliberation.
- I attended an appeals hearing and I am now done with my training for that.
- Goals
  - Shadow a pre-admit hearing to finish my training in that area.
  - Volunteer for RamRide.
