ABSTRACT: Declaring ASCSU's and the student body's support for the Fort Collins Broadband Initiative.

WHEREAS

Fast, affordable, and easy internet access is essential to a modern college career as well as a modern college life; and,

WHEREAS

The United States, as a whole, is lagging behind in internet accessibility and innovation; and,

WHEREAS

Fort Collins, coupled with Colorado State University, is a world-renowned city for innovation and progress; and,

WHEREAS

The City is committed to "Net Neutrality, Privacy, and Security"; and,

WHEREAS

The City's model of Disruptive Innovation is incredibly beneficial to the students that ASCSU serves; and,

WHEREAS

The Fort Collins Broadband Initiative will bring next generation networking to the students of Colorado State University; so,

THEREFORE, BE IT HEREBY RESOLVED

That ASCSU and the students of Colorado State University hereby support the Fort Collins Broadband Initiative. May it succeed in brining Fort Collins into the next era of networking and further prove that Fort Collins and Colorado State University will be at the cutting edge of innovation in the years to come; and,

THEREFORE, BE IT HEREBY RESOLVED

That a copy of this legislation be sent to; Tony Frank, President of Colorado State University; Patrick Burns, Dean of Libraries, Vice-President for IT; Fort Collins City Council
